NO HEARINGS SCHEDULED

7:00 PM ~ Gaynor Biegelbach from Shirley will speak to the Commission about opportunities for conservation projects that Americorps volunteers could offer us regarding trail repairs and other possibilities. **Gaynor spoke to the commission about the volunteers from Americorps. She stated that in February she will have scouts that will be working with her on different projects. They will build wood duck house, eastern bluebird houses and place them in different areas on conservation land. They will also do trail maintenance. The commission was very receptive to her ideas and she will contact us before the work takes place.**

7:15 PM ~ Monica Farley ~ hunting , trash, etc. on ConCom property (Robbs Hill area and Burrage Street).

Monica Farley is concerned about hunting on town property, she stated that she walks with her dogs and is concerned about hunters that are bow hunting. The commission stated that bow hunting is allowed but no discharge of firearms on town property is allowed. Members told her to be sure to wear "Hunter Orange. Sharon mentioned the stewardship program we hope to have up and running by spring, and hopes she will join.
